LEGEND:

New Reports - Adults reported to the County DSS as being abused, neglected, or exploited.

Actual abuse, neglect, or exploitation - Through investigation, it was determined that the adult was being abused, neglected, or exploited. The case is substantiated or founded.

Potential abuse, neglect, or exploitation - Through investigation, it was determined that the adult was not being abused, neglected, or exploited. However, at least two risk factors were identified so services were delivered to prevent actual abuse, neglect or exploitation.
